INTRODUCTION

Purpose

The purpose of the National Team Handbook is to keep athletes and coaches informed about Judo Canada's High Performance policies. It is the responsibility of athletes and coaches to read and understand the material in this handbook. If you are unclear on a certain policy, please contact the High Performance Director for further explanation (see Contact Persons on page 3).

Limitations

Certain policies may be changed from time to time. A policy change is considered effective upon its date of publication by Judo Canada, unless otherwise noted in the change notice. A change is deemed to be published on the date that the notice of change is emailed to the provincial associations. Policy changes will also be posted on Judo Canada's website and we encourage you to visit it regularly.

Feedback

If you have specific recommendations with respect to policies contained within this manual, please direct them in writing to High Performance Director. Written feedback is the only way to ensure full circulation of your ideas.

Athletes covered by the Handbook

Policies specified in this Handbook apply to all judokas identified as members of the National Team and other judokas selected by Judo Canada, as well as to all Canadian athletes who participate in events identified in this publication.

The High-Performance Committee of Judo Canada essentially deals with and is responsible for carded athletes, junior (U21) world team members, cadet (U18) world team members, senior world team members and Olympic and Paralympic team members.

International Competition Access

Judo Canada does not have the resources to send athletes to all the international events that Canada may be invited to. A list of events that are "open" to the provinces will be published on Judo Canada's website, along with the selection criteria or standards and application deadlines. It is the responsibility of provincial associations to apply for selection to such events on behalf of its provincial athletes by the indicated deadlines.

Athletes' Contact Information

To ensure that they receive National Team correspondence, athletes are responsible for providing Judo Canada with their email address and phone numbers. Keep Judo Canada's National Office updated on any changes to your contact information.

POLICY 1 - HIGH PERFORMANCE COMMITTEE

The High-Performance Committee's mission is to:

- Provide advice and recommendations to the High-Performance Director in matters pertaining to Judo Canada's High-Performance system and programs.
- Ensure that High Performance programs are implemented according to policies.

The High-Performance Committee is the authoritative body for the drafting and interpretation of policies in this handbook and may assign duties and responsibilities, as needed, to ensure the day-to-day work of the Committee has implemented.

National team issues that are not covered by this handbook may arise from time to time. In such case, the High-Performance Committee will be the authoritative body that will bring recommendations forward to the Board of Judo Canada before a final decision is rendered.

From time to time, the HP Committee may make exceptions to certain policies if they judge that it is required for the benefit of the organization. Such exceptions must not exhibit prejudice toward any athlete.

POLICY 2 - DEFINITION OF A "WIN"

The National Team Handbook definition of a win for team selection, international rankings, and carding, is as follows:

"A win is an advancement in the draw sheet, only because of the bout being initiated (both competitors must make contact under fighting conditions)."

This means, for example, that "fusen-gachi" or a "bye" would not be considered as a win.

POLICY 3 - CLASSIFICATION OF INTERNATIONAL EVENTS

To ensure that international competitions provide a beneficial and valuable developmental opportunity, all athletes must demonstrate their readiness to compete at each international level by meeting minimum performance standards (see policy 8). The grid below establishes tournament categories with the points and standards given by each performance in each category.

International Tournaments Ranking Grid

2. The classification of international tournaments is determined by the High-Performance Committee on an annual basis.
3. The High-Performance Committee may add or reclassify a tournament during the year by giving six (6) weeks' notice prior to the event.
4. Only the international tournaments listed in Policy 3 are considered for standards and points.

- For G & H tournaments, the participation of provincial coaches is mandatory for any province sending five (5) or more athletes.

POLICY 4 - CLASSIFICATION OF DOMESTIC EVENTS

Rules applied for all domestic events:

- An athlete must have at least two wins to receive points and standard.
- Points and standards earned in domestic events are valid for one year only.

POLICY 5 - DETERMINATION OF NATIONAL TEAM STANDARDS

General

- National Team standards will be awarded according to performance, as indicated in the tournament ranking grids within Policies 3 and 4.

- Standards determine the eligibility of athletes to international tournament, however, are not used for selections unless specified otherwise in event specific selection policies.
- When achieved in an International tournament, a standard is valid for a period of 24 months from the date it was achieved (i.e., not by accumulation – see point 10 below).
- When achieved in a Domestic tournament, a standard is valid for a period of 12 months from the date it was achieved.

Specific Cases

- A Top 8 ranking in an International tournament (Policy 3) with two wins warrants one standard below the one indicated on the grid.
- A Top 8 ranking in an International tournament (Policy 3) with one win warrants two standards below the one indicated on the grid.
- A Top 8 ranking in an International tournament (Policy 3) in a weight class with five to seven contestants warrants one standard below the one indicated on the grid.
- In an international tournament (Policy 3), no standard will be given if there are fewer than five competitors or fewer than three countries in a weight class.
- Results achieved in non-Olympic -44kg (Female), -55kg (Male), open weight, and team tournaments do not count towards achieving standards.
- The A and B standards can be achieved by an accumulation of B or C standards (in the same weight class and in international competitions (Policy 3)), respectively, as follows:
 - 3 X B results accomplished directly within a 12-month period, gives A standard.
 - 3 X C results accomplished directly within a 12-month period, gives B standard

The validity of an A or B standard achieved by accumulation is 24 months minus the months of results accumulation. For example, if it took four months to accumulate three B results, the resulting A standard is valid for the next 20 months (i.e. 24 months – 4 months).

POLICY 6 - DETERMINATION OF NATIONAL TEAM POINTS

General

- Only Male and Female Olympic weight divisions are eligible for points.
- Results obtained at International competitions (Policy 3) give 100% of the points for a period of one year after the event, after which, the points are reduced by 50% and are valid for another year.
- Results of Domestic competitions are valid for a period of 12 months from the date they were achieved.
- No points will be given for achievements in International competitions (Policy 3) in weight categories with fewer than five competitors, or fewer than three countries in the weight class.

Specific Cases

- International points awarded will reflect the competitiveness of each weight class through the application of the following formula:
 - For five or more wins, 125% points indicated in Policy 3; for three and four wins, 100% points indicated in Policy 3; for two wins, 75% points indicated in Policy 3 (for top 8 or

- higher ranking only); for one win, 50% points indicated in Policy 3 (for top 8 or higher ranking only).
- b. For result achieved in weight categories of five to seven competitors: 75% of the points determined by the above formula.
6. Results achieved in one weight class above or below the athlete's reference weight class are divided in half after the above rules (points 1 to 5) have been applied.
 7. Results achieved in a weight class two divisions above or below the reference weight class are divided by four after the above rules (points 1 to 5) have been applied.

POLICY 7 - NATIONAL TEAM POINT RANKING

The National Team point ranking will be established using the points that are earned according to Policies 3, 4, and 6.

The sum of six best performances (highest points scored) over the last 24 months will be considered (50% of points for events older than 12 months).

In the event of a tie, the seventh best result of each athlete will be used to break the tie and, if needed, the eighth, and so on.

POLICY 8 - MINIMUM PERFORMANCE STANDARDS

Introduction

The National Team standard represents the minimum performance standard needed to take part in international events unless stated in a specific selection policy (Policy 15). The goal is to have athletes competing at the proper level to ensure a beneficial and valuable competitive experience for their development. The national team standard is also used for selection, carding nomination, and funding priority.

General

National Team Minimum Performance Standards:

- A Standard: Athletes eligible to attend category "A" competitions.
- B Standard: Athletes eligible to attend category "B" competitions.
- C Standard: Athletes eligible to attend category "C" competitions.
- D Standard: Athletes eligible to attend category "D" competitions.
- E Standard: Athletes eligible to attend category "E" competitions.
- F Standard: Athletes eligible to attend category "F" competitions.
- G Standard: Athletes eligible to attend category "G" competitions.
- H Standard: Athletes eligible to attend category "H" competitions.

To participate in an event, your standard must be valid at the date of the event and not at the date of the selection for that event.

To maintain the validity of standard, an athlete must have competed in one of the last two Elite Nationals unless granted exemption by the High-Performance Committee. To request an exemption from the High-Performance Committee, see **Policy 12 “Exemption Request Procedure”**.

To participate in U18 international events, as part as a Judo Canada delegation, an athlete must be identified as one of the following:

- National Team Standard H or higher
- a Judo Canada Development card
- achieve one of the following performances in his/her current age group:
 - Gold medal at the 2022 U18 Elite National Championships
 - Gold medal at the 2022 U18 Open National Championships

Specific Cases

Minimum standards are weight-class specific, but standards achieved in one weight class, can be used as a minimum performance standard in one weight class above or below for events of C level and below, and events that do not have a specific selection policy.

An athlete could be given the special permission to compete above his/her standard (up to B) for exceptional reasons:

- Tournament scheduling issues.
- Athlete deemed by the High-Performance Director to have exceptional potential.
- Athlete deemed by the High-Performance Director to show full commitment to training and national team programs.
- Athlete that was unable to compete for an extensive period due to unforeseen reasons.

Request process:

- The athlete must make a request in writing to the High-Performance Director prior to the registration deadline of the tournament.
- The High-Performance Director will make a final decision based on the recommendation of High-Performance Committee.

Important: No special permission will be granted for competitions with specific selection criteria (**Policy 15**).

Special case: Team event: An athlete could be exempt from the minimum performance standards if circumstances could increase chances of qualifying Canada for the Team event in Paris 2024.

POLICY 9 - PARTICIPATION AND FUNDING IN INTERNATIONAL EVENTS

Introduction

Only members in good standing with Judo Canada and their respective provincial associations are eligible to represent Canada at international judo events. An athlete's eligibility is determined by their National Team Standard, which is in turn determined by the performance of the past two seasons (Policies 6 & 8) for events without specific selection policy or by a specific selection policy (see Policy 15).

For certain events, the High-Performance Committee may invite provinces to apply to represent Canada. For such events, once permission is granted, selection of athletes, coaches, and officials is the responsibility of the province. A minimum of one coach must be funded by the Province. Judo Canada's permission is not required for international club tournaments and club exchanges.

All participants to represent Canadian judo fall under the jurisdiction and discipline code of Judo Canada regardless of the source of support (see Policy 24).

Insurance

All participating athletes must have medical insurance which covers injuries sustained in sporting events. If proof of coverage is not provided by the athlete, JC will automatically take out coverage for any selected athlete for the duration of that project to fulfill IJF requirements.

Selection

Policy 15 provides selection criteria for specific major events. For tournaments with limited entries without specific selection policies, the criteria that will be taken into consideration to select participants will be as follows:

- Funding priority criteria (page 12)
- Participation and performance at training camps and testing
- Daily training commitment at the National Training Centre
- Number of international events already attended

With the objective to offer logical periodization in preparation and selection for major events.

The High-Performance Director, with the approval of High-Performance Committee, will have final authority on all selections.

Funding

Unless specified otherwise in specific selection policy, these funding principles and priorities will be used for international competition and camps funding allocation:

Cadet: **Priority 1:** D standard or higher

Priority 2: E standard and ranked first in their respective weight class (in the National Team ranking – Only Cadet considered)

Junior: **Priority 1:** C standard or higher

Priority 2: D standard, carded and ranked first junior in their respective weight class (in the National Team ranking)

Senior: **Priority 1:** Olympic medallist, World medallist or OTP targeted athletes (athletes that have demonstrated strong chance of winning Olympic/Senior World Medal)

Priority 2: “A” standard, carded and ranked first in their respective weight class (in both National Team ranking and Olympic selection process in years 3 and 4 of the quadrennial)

Priority 3: “A” standard carded athletes ranked first in their respective weight class (in either the National Team ranking or the Olympic selection process in years 3 and 4 of the quadrennial)

Priority 4: “B” standard carded athletes ranked first in their respective weight class (in the National Team ranking and in the Olympic selection process in years 3 and 4 of the quadrennial)

Priority 5: Other A standard athlete

Special case: Team event: An athlete could become Priority 3 if circumstances could increase chances of qualifying Canada for the Team event in Paris 2024.

Other: If extra funding is provided to Judo Canada for certain events or specific programs (e.g.: NextGen Institute, Pan Am Games, Jeux de la Francophonie, Commonwealth Games), this extra funding will then be distributed as per directions by the funding partners and according to the priority principles as set in this **Policy 9**.

Application

Judo Canada will distribute via email to their provincial staff a list of competitive opportunities and a “Notice of Application” and invite national team members to apply. All interested athletes who meet the minimum criteria must apply online using the JC International Event Registration Form at <http://www.judocanada.org/international-events-registration/>. An application is considered received at the date of receipt of deposit (see Procedures below).

Procedures

For those athletes and delegation members not funded by Judo Canada, but travelling through Judo Canada, the following procedures will apply:

1. Athletes who are not funded for the event must include with their registration a \$1000 deposit for one event, \$1500 for two events and \$2000 for three events, of which \$200 is non-refundable. The application will only be considered if a deposit has been made at the time of registration. Athletes who are not selected for the event will be refunded in full.

2. Athletes that cancel their participation after trip-planning expenses have occurred are fully responsible for those expenses.
3. Athletes agree to pay the balance of the cost upon receipt of invoices from Judo Canada.
4. Invoices are based on actual costs and are due upon receipt. No administrative fees are applied.
5. Invoices that are 30 days overdue: individuals will receive a written reminder with a copy sent to the provincial association.
6. Invoices that are 60 days overdue: individuals will be contacted by the Judo Canada office to discuss payment. If no arrangements can be made, the following steps will be taken:
 - A 10% service fee will be added to the invoice;
 - The individual automatically becomes a member not in good standing and all benefits and privileges are suspended – this includes access to competitions, grading, carding, etc.; and
 - If reinstated, for all future travel arrangements the individual may be required to pay the amount of the trip in advance in full by credit card, certified check or money order.
7. For accounts more than 90 days overdue, Judo Canada will inform the individual and charge the debt to the credit card number that was initially provided with the application.

If Judo Canada is sending a team to the same event, travel arrangements and accommodations of self-funded participants must also be coordinated by Judo Canada. Under no circumstances are individuals to contact the host organizing committee directly.

In some cases (limited to underage athletes) Judo Canada will facilitate travels of parents to the event, but in no case, will room sharing be permitted.

Injury/Making weight issue

An injured athlete that is unable to undergo full training, including regular scrimmage, during the two-week period prior to departure may be withdrawn from the event. If at any time prior to an event, body weight exceeds 8% of the weight category and the national team nutritionist and team physician judge making weight dangerous the athlete may be withdrawn from the event.

Final decisions will be made by the High-Performance Director with the approval of the High-Performance Committee.

POLICY 10 - SELECTION NOTICE

After the deadline of each Notice of Application (Policy 9), Judo Canada will email a list of selected athletes outlining the following:

- Event(s)
- List of selected athletes by weight class
- Funding allocation

Selected athletes will require to confirm their participation on the online platform as per specific requirements.

POLICY 11 - FAILURE TO MAKE WEIGHT

Athletes funded by Judo Canada to attend international events who do not make weight for their selected weight class will be responsible for reimbursing Judo Canada for all expenses incurred.

For carded athletes, failure to make weight is considered a breach of their carding contract.

POLICY 12 - EXEMPTION REQUEST PROCEDURE

Introduction

This policy applies to all exemptions of mandatory requirements for selection as well as the obligations of the carding contract.

Exemptions to parts of a program can be requested for exceptional circumstances. Exceptional circumstances may include: a death in the immediate family, an injury, or conflict with another competition or training camp deemed more appropriate by the High-Performance Director for the athlete's preparation for performance at World Championships/Olympic Games.

Process

1. Request must be made as soon as the problem is known. In the case of injury, the request must be received within **seven (7) days** of the occurrence of the injury.
2. The request must be made in writing, signed by the personal coach, stating the circumstances with supporting evidence by email to HP@judocanada.org. Injury requests must include a medical certificate that indicates the type of injury, severity, and estimated recovery time. Judo Canada has the right to seek out a second medical opinion.
3. An injured athlete that is unable to undergo full training, including regular scrimmage, during the two-week period prior to departure may be withdrawn from the event. Final decision will be made by the High-Performance Director with the approval of the High-Performance Committee.

The High-Performance Committee will evaluate all requests and deliver its decision in writing.

POLICY 13 - FIGHT-OFF PROCEDURE

Unless indicated otherwise in an event-specific selection policy, selection situations requiring a fight-off will follow the following fight-off procedures and will be held at the National Training Centre:

1. The High-Performance Director and the High-Performance Committee chair will oversee the fight-off as well as the procedures.
2. The referee team will all be at least national "A" certified including at least one referee certified International A currently active on the international scene. The Chair of the National Referee Committee will select the referee team and will act as the chief referee for the fight-off or will nominate a chief referee. If the two contestants are from different provinces, then the referee must be from a neutral province and the two judges must either come from the same provinces as the two

contestants, or they must both come from neutral provinces. If the two contestants are from the same province, then any combination can be used. IJF rules will apply except where noted below or as indicated in the fight-off notice.

3. IJF weight classes and weigh-in procedures will apply unless indicated otherwise in specific selection policies.
4. Athletes will have a minimum of 30-minute rest between matches. By mutual consent of the two contestants, an earlier start time may be agreed after the previous match has finished.
5. In the event of an injury, causing the withdrawal of a contestant from the current or subsequent match, the High-Performance Committee shall decide what further action is to be taken.
6. The following costs shall be borne by Judo Canada: expenses of officials and minor officials (timekeepers, score board keepers).
7. To ensure there is no home-mat advantage, access to the shiai-jo will be limited to the following people: athletes in the fight-off; Two coaches or designates per athlete in the fight-off; One representative per province involved in the fight-off; referees as needed; technical officials/staff; Judo Canada President or representative; Accredited members of the media; individuals appointed by the High-Performance Committee Chair. All other persons are prohibited from attending the fight-off.

POLICY 16 – 2023 ATHLETE ASSISTANCE PROGRAM

2023 ATHLETE ASSISTANCE PROGRAM (AAP)

Objective: To identify and support Canadian athletes performing at or having the greatest potential to achieve top 8 results at the Olympic/Paralympics Games and World Championships. Judo Canada’s carding cycle runs from January 1, 2023, to December 31, 2023.

The quota of senior cards allocated by Sport Canada is **sixteen (16)** or its equivalent value of \$338,880. This amount is subject to change at any time by Sport Canada. Athletes will be recommended for 12 months of carding support, however, if upon the application of the carding criteria less than 12 months of carding is available, an eligible athlete may be recommended if there are four or more months of support remaining.

To be eligible for the AAP, an athlete must meet the requirements described in Section 2.3 of the “Athlete Assistant Program (AAP) Policies and Procedures”: <https://www.canada.ca/en/canadian-heritage/services/funding/athlete-assistance/policies-procedures.html>.

SCHEDULE A: CARDING OF ABLE-BODIED JUDOKA

Judo Canada’s High-Performance Committee, upon the recommendation from the High Performance Director, will determine a priority ranking of all AAP eligible athletes based on the carding criteria presented in this document. Sport Canada approves nominations in accordance with the AAP policies and procedures.

1. CONDITIONS FOR ALL CARDS

- 1.1 All senior carded athletes and U21 and U23 development carded athletes will be based at the National Training Centre at INS Québec in Montreal (NTC). Being based at the training centre (NTC) means that the carded athlete commits to train full-time at the NTC in Montreal. The carded athlete accepts to follow the yearly training plan designed by the High-Performance Director. This plan includes all NTC-based daily judo training sessions, other types of training (e.g., strength training, mental training, etc.), performance tests, medical exams, tournaments, training camps, or training periods that may take place in Canada or abroad, as approved by the High-Performance Director.
- 1.2 All carded athletes with a D card under the age of 18 on December 31, 2022, will be based at the National Training Centre at INS Québec in Montreal (NTC) or at one of the designated Regional Training Centres (RTC), i.e., Toronto, Ontario, Abbotsford, British Columbia or Lethbridge, Alberta. Being based at the National training centre (NTC) or designated RTC means that the carded athlete commits to train full-time at the NTC or RTC. The carded athlete accepts to follow the yearly training plan designed by the High-Performance Director and the RTC Coach. This plan includes all NTC/RTC-based daily judo training sessions, other types of training (e.g., strength training, mental training, etc.), performance tests, medical exams, tournaments, training camps, or training periods that may take place in Canada or abroad, as approved by the High-Performance Director and RTC Coach.
- 1.3 The years an athlete is carded while of Junior IJF age, do not count towards the total years of carding as a senior-age athlete.
- 1.4 A C–1 Card is designated by Sport Canada as a “probationary” card and is awarded to athletes carded for the first time at the Senior Card level. If an athlete’s first Senior Card is awarded for a top 8 result

at the World Championships or Olympic Games, then the probation period does not apply, and the C-1 is upgraded to a Senior International Performance Card (SR1).

- 1.5 Carding selection and the continuation of carding are dependent upon the athlete's adherence to the obligations outlined in the carding contract (Policy 17). The athlete must agree to follow the training, competitive, and administrative policies of Judo Canada (National Team Handbook 2022). Judo Canada will notify Sport Canada to start carding payment only when the signed athlete's contract and annual training plan have been received at Judo Canada's office.
- 1.6 Carded athletes must take part in all competitions, testing, medical examinations, and national training camps for which they are selected. Should extenuating circumstances arise that prevent participation in some of these events, athletes must apply to the High-Performance Committee of Judo Canada for an exemption (see Policy 12- Exemption request procedure).
- 1.7 Should an athlete fail to participate in a scheduled event as required per Appendix B of the Carding Contract, the High-Performance Committee will apply a sanction, as specified in the carding contract.
- 1.8 Cards are subject to termination during the carding season. The National Coaching Staff will evaluate the performance of the carded athlete, and if it is determined that the athlete does not respect the conditions of the carding contract, the card will be removed and possibly transferred to the next applicant (see section 7).

2. PRIORITIZATION

Cards will be allocated to eligible athletes in the following order of priority:

- 1) Athletes eligible for Sport Canada's "Senior International Performance" cards (SR1/SR2);
- 2) Athletes eligible for "Development" cards (D) U18 & U21- 6 D cards.

Remainder of cards will be distributed in this order of priority until carding quotas are filled:

Sport Canada's Senior International Performance Card (SR1/SR2) is awarded to an athlete placing in the top 8 and top 1/2 at the 2022 World Championships (October 2022). This card is valid for a two-year period (year one designated as SR1; year two designated as SR2). However, the second year of carding is not automatic. An athlete must be nominated to Sport Canada by Judo Canada, thus he/she must:

- a) Meet the minimum standard to qualify for the next Senior World Championships (or Olympics);

- b) Respect the conditions of Judo Canada’s Carding Contract.

4. DEVELOPMENT CARDING CRITERIA (D) U18 & U21

4.1 General information

Objective: To identify and support young Canadian judokas with a superior international potential, at an earlier time of their athletic development than is possible with the senior carding system. The program must allow for an enriched training and competitive schedule that will prepare selected athletes to gain skills critical for success at the senior level.

The Development Card U18 or U21 is valid for a one-year period. Only athletes under 21 years old (U21) as of December 31, 2022, and athletes under 18 years old (U18) as of December 31, 2022, are eligible for these cards. Judo Canada’s financial support provided for athletes carded at the D level is designated for training, equipment, and competition costs. The athlete may be required to cost share in some competitions and camps, based on the support received. Any cost-sharing requirements will be so noted in the athlete's contract.

Six (6) Development Cards (U18 and U21) will be awarded.

4.2 Development Card Selection Procedure

Eligible athletes will be ranked according to Judo Canada ranking points as per National Team Policy 5. No minimum standard requirement is needed for those six development cards.

1. **Female:** The three (3) highest ranked eligible U21 athletes, with at least one being U18, will be nominated for carding.
2. **Male:** The three (3) highest ranked eligible U21 athletes, with at least one being U18, will be nominated for carding.

Note: Athletes who qualify for a Development Card and who also qualify for a Senior Performance Card have the choice of accepting any of these. If an athlete chooses to accept the Senior Performance Card, this card will count towards the total year of carding as a senior age athlete, unless the athlete is still an IJF Junior (i.e., U21) in 2022 (see 1.3). Athletes who elect to accept a Senior Performance Card will be eligible for a Development Card in future seasons if they meet the eligibility criteria for such card.

5. SENIOR PERFORMANCE CARDING CRITERIA (SR/C1)

5.1 Senior Performance Carding Criteria (SR/C1)

Senior Performance Cards (SR/C1) are awarded for a one-year period to athletes according to their rank in the Judo Canada's National Team Standard/Ranking point system (NT Policies 3 to 8). To be eligible for a "Senior Performance" card nomination, athletes must meet the following criteria:

It is a possibility that there are not enough cards for all athletes meeting minimum standards.
2. Athletes will be removed from the prioritized list if they:
 - do not meet the minimum Performance Standards.
 - did not fulfill the National Championships Standard.
 - are not involved in a High Performance training program.
 - Refuse in writing, prior or after the nomination, to respect relocation criteria or any other requirement.

6. REMAINING CARDS – PRIORITY 4 to 14 – Development Card (See “2. Prioritization,” above)

The program must allow for an enriched training and competitive schedule that will prepare selected athletes to gain skills critical to succeed at the senior level.

6.1 All the Development Cards are valid for a one-year period. Judo Canada’s financial support provided for athletes carded at the D level is designated for training, equipment, and competition costs. The athlete may be required to cost share in some competitions and camps, based on the support received. Any cost-sharing requirements will be so noted in the athlete's contract.

6.2 As per the priority list presented above in point, “2. No maximum or minimum numbers of cards are reserved for each priority.

6.3 U23 is defined as athletes under 23 years old (U23) as of December 31, 2022.

6.4 The number of Development Cards available as per priorities 4 to 14 will depend on the following:

The remaining available cards will be designated as Development Cards.

6.5 Eligibility Conditions for Development Cards:

- b) The highest ranked eligible athletes (Male and Female combined), as per available cards and respecting the priorities set in point 2 will be nominated for carding.

1. FAILURE TO MEET RENEWAL CRITERIA FOR HEALTH-RELATED REASONS (Illness, Injury or Pregnancy)

A carded athlete who, at the end of the carding cycle, has not achieved the standard required for the renewal of his/her carding status solely because of health-related reasons may be considered for renomination for the upcoming year provided the following conditions are met:

- The athlete had at least one past performance of top 8 at the Senior World championships or Olympic Games in the last four years.
- The athlete must have informed Judo Canada as soon as possible and, if the health issue happened prior the Elite Senior Nationals and requested an exemption as per Policy 12.
- The athlete has fulfilled all reasonable training and rehabilitation requirements aimed at a speedy return to full high-performance training and competition during the period of his or her injury, illness, or pregnancy, or is continuing a rehabilitation program approved by Judo Canada.
- In the view of Judo Canada, the athlete's failure to attain the applicable carding standards is strictly related to the injury, illness, or pregnancy.
- Judo Canada, based on its technical judgment and that of a Judo Canada team physician or equivalent, indicates in writing to Sport Canada the expectation that the athlete will achieve at least the minimum standards required for carding during the upcoming carding period.
- The athlete has demonstrated and continues to demonstrate his or her long-term commitment to high performance training and competition goals, as well as his or her intention to pursue full high-performance training and competition throughout the carding period for which he or she wishes to be renewed, despite not having met the carding criteria.

An athlete may only be nominated to the AAP under this clause once in their career.

If more than one athlete meets this clause, they will be ranked based on the previous season's international ranking.
