IV - FUNDING

Judo Canada provides funding only to those athletes who have achieved their National “A” Team standard at the time of the selection, in the order of priority defined in Policy 9.

V - TRAINING COMMITMENT

Judo Canada’s High Performance Director and Senior National Coach will design and lead the preparation program (competitions, camps, testing, and training requirements) for the 2023 World Championships. Meeting the requirements of the preparation program is a condition of selection and funding; failure to live up to the preparation program, as determined by the High Performance Director, will result in withdrawal of selection. Such a recommendation must be supported by the High Performance Committee.

VI - APPEALS TO SELECTION

Appeals to selection are limited to incorrect application of policy or procedures. In the case of an appeal, a “Grievance Procedure” will apply as per the current Judo Canada Policy.

VII - INJURY OF A TEAM MEMBER DURING PREPARATION PHASE

Athletes are required to report all performance-limiting injuries or medical operations that occur after their selection. An injured athlete that is unable to undergo full training, including regular scrimmage during the two-week period prior to departure, may be withdrawn from the team.

VIII - ALTERNATES

Judo Canada is under no obligation to select an alternate. Only athletes who meet standards, as described in the selections process above, may be named as an alternate.

IX - UNFORESEEN CIRCUMSTANCES

In the case of any unforeseen circumstances arising during the selection process, the High Performance Committee of Judo Canada will rule on the course of action.
