- Provide Judo Canada, by September 30th of each year, a list of Provincial Referee Committee members and to notify Judo Canada as changes occur.
- By January 15th of each year, P/T Chief referees will provide Judo Canada Referee Committee, a report of evaluations of all active provincial A or higher referees in the province.

8. RESPONSIBILITIES

- Keep abreast of the "National Referee Committee" Policy and Procedures.
- Communicate information from the "National Referee Committee", including dates for national training seminars, examinations, rostering evaluations and opportunities for provincial members to officiate at international tournaments.
- Select and submit competent candidates to the "National Referee Committee" for national examinations.

- Establish provincial standards for certification up to Provincial "A".
- Appoint sub-committees as needed to conduct provincial training seminars & examinations up to National "C" and to oversee provincial championships.
- Select referees for competitions within provincial jurisdiction.
- Define the activity level for a Referee within the Province to be considered "active".
- Submit a list of referees that are competent and/or rostered for National and open International events to the "National Referee Committee" for selection or approval.
- Ensure the National Referee Committee is informed of the list of Referees rated National A or higher who participated in events in their province as well as results of their evaluations. This information must be submitted within 7 days of the end of the tournament
- For all National "A" and lower level referees who plan to referee at tournament outside of Canada, the Provincial Committee is required to request an approval from the National Referee Committee. All other referees need to inform the National Referee Committee Chair and make sure that the Competition Organizing Committee is informed of their intention to attend and that they have approved.

9. COMPOSITION OF THE PROVINCIAL REFEREE COMMITTEE

- The Provincial Referee Committee shall have at least one member who is certified at National "A" or above (except where provinces do not have a National "A").

SECTION III - REFEREE CERTIFICATION

10. GENERAL RULES

- There are three levels of National Referee Certification in Canada:
 - National "A"
 - National "B"
 - National "C"
- Candidates must be:
 - National "A" and "B": Shodan rank or higher.
 - National "C": Minimum Brown Belt and in exceptional circumstances may be promoted to National "B".
- Candidates must have a thorough knowledge of the "IJF Refereeing Rules and Sporting Rules (pertaining to Refereeing aspects)" and interpretations.
- Candidates must possess a Judo Canada passport and be a member in good standing.

- Before applying to the next referee grade level, candidates must observe the following criteria:
 - Have held their previous grade level for a minimum of 1 year.
 - Have kept up their activity level as outlined below.

For: National C - Minimum activity level: refereed a minimum of 3 provincial level tournaments.

For National B and A – Minimum activity level: refereed a minimum of 2 provincial or interprovincial level tournaments AND have refereed in at least 1 of the following Judo Canada circuit tournaments:

- Eastern Canadian Championships
 - Manitoba Open
 - Saskatchewan Open
 - Edmonton International
 - Pacific International
- Referees with foreign National certification may apply for Canadian classification through their respective provincial association. Documentation which indicates the foreign referee rank and activity should be forwarded by the Provincial Referee Committee. The "National Referee Committee" may invite such individuals to officiate at selected events in order to assess competency and certify such individuals at an appropriate National level.
 - Registration of all candidates for National level referee certification examinations must be approved by their Provincial or National Committee and made on line at the www.judocanada.org no later than 30 days in advance of the examination date. The examination fee of 200\$ payable to Judo Canada must accompany the application. Moreover, the candidates must pass a written exam which may also include a video component.
 - The cost for hosting National "B" or "C" examinations, including the travel expenses of the examination panel, is borne by the host province. The host province, in turn, has the right to establish a cost sharing formula between the participating provinces.

**National "A" examinations at present are being paid by Judo Canada but will be subject to Judo Canada budgetary availability.

11. NATIONAL EXAMINATIONS

- National examinations will not be conducted at National Championships.
- National Referee Examinations shall consist of no more than two grade levels: generally National A and B; or National B and C. The Judo Canada Referee Committee, at its discretion, may amend the examination to include additional or fewer grade levels.
- National A and B exams are two days events.
- The examination panel for all National examinations will be appointed by the "National Referee Committee" according to the following criteria:

National "A"

The examination panel must comprise of at least three referees, including two internationally-rated, as well as one member of the National Referee Committee. The examination must occur during a competition of at least Inter-Provincial level or higher. Exception to the level of competition required can be made if accepted by the National Referee Committee. Moreover, the candidates must pass a written exam which may also include a video component.

National "B"

The examination panel must comprise of at least two referees, including at least one international grade and a second of continental grade as a minimum. Preferably, one of the two examiners should be member of the National Referee Committee. Otherwise, the two examiners will be named or approved by the National Referee Committee. The exam must take place at an interprovincial or higher level competition. Exception to the level of competition required can be made if accepted by the National Referee Committee.

National "C"

The examination panel must comprise of at least one International referee approved by the "National Referee Committee". The examination must take place during a competition of at least provincial championship level or higher.

- Provinces are responsible for nominating candidates for examination to the "National Referee Committee".
- Each examination is limited to a maximum of 10 candidates. The host province is eligible to nominate up to 4 candidates and the other provinces are limited to a total of 2 candidates each. If less than 10 candidates are registered by the deadline, the Judo Canada Referee Committee may fill the positions as it deems appropriate. Each province/territory can submit no more than 3 candidates for the same grade level.
- In special cases, the examination panel may wish to recommend to the "National Referee Committee", certification of a candidate above the level being sought. The "National Referee Committee" will arrive at a decision in consultation with the examination panel. If the recommended grade is National A, the candidate is accepted provided he/she passes a written exam which may also include a video component.
- An unsuccessful National A candidate must wait a minimum of one year before its Provincial or Territorial Referee Committee can resubmit the candidate for re-examination. However, a candidate that fails only the written portion of the National A exam can elect to rewrite the written portion of the exam within the following 3-month period. This rewrite must be arranged and approved by the Judo Canada Referee Committee.
- The minimum number of candidates for a national examination is 6. In certain cases, the number

of 5 candidates could be acceptable.

- Notwithstanding the preceding paragraph; any other situation presented to the national arbitration committee will be subject to an evaluation of the situation, and the said committee reserves the prerogative to accept or reject a derogation.

12. ROSTERING REFEREES FOR NATIONAL CHAMPIONSHIPS

- The Judo Canada Referee Committee shall ensure that referees selected to officiate at the National Championships and Canada Winter Games maintain a high level of competency. In this regard, the Committee will utilize an ongoing rostering system to continuously evaluate eligible referees at designated Judo Canada circuit events. A list of eligible referees qualifying to officiate at the National Championships will be submitted each year to Provincial or Territorial Association for selection consideration. All referee selections will be ratified by the Judo Canada Referee Committee.
- To keep their certification, the Referees must remain active and competent.
- All International level referees are automatically rostered for eligibility to officiate National Championships and Canada Games.
- The Judo Canada Referee Committee or its representative(s) will evaluate National A, confederate, and continental level referees at the following tournaments: Quebec Open, Ontario Open, Saskatchewan Open, Edmonton International, Pacific International, Eastern Canadian Championships, Manitoba Open, Canada Games, Elite National Championships and Open National Championships. International level referees are exempt from these evaluations.
- Rostering and Selection of referees will be communicated to the Provincial Referee Directors as soon as available.

13. PJC / IJF EXAMINATIONS

- The candidate must be a Canadian citizen.
- The candidate must meet PJC and/or IJF eligibility criteria.
- The required PJC and/or IJF forms must be completed, two passport photographs attached, and returned to Judo Canada 30 days prior to the examination. Judo Canada will forward the documentation to the examination panel.
- The PJC Referee Committee is responsible for selecting all International Referee candidates and works in conjunction with the "National Referee Committee" to select candidates for Continental and Confederate examinations.
- To be selected, a candidate must have officiated at a Canadian Championships in the last year. The PJC Referee Committee has developed eligibility requirements for candidates for International and Continental Referee examinations.

SECTION IV - SELECTION CRITERIA

14. GENERAL CRITERIA

- Competency
- Active at provincial, national, and international levels
- Seniority
- Attendance at clinics and examinations
- Languages spoken
- Age & Rank
- Availability

15. NATIONAL CHAMPIONSHIPS & EVENTS

- The chief referee for national events is appointed by the "National Referee Committee" and must be an International Referee.
- Referees at National Championships must be minimum National "A" certified and rostered.
- Referees at circuit point tournaments must be minimum National "C" or National C" candidates. However, for some circuit events, Judo Canada may require the minimum referee grade to be at a higher level as indicated in the event's Technical Package.
- Process for Identifying Referees to Open National Championships:
 - The "National Referee Committee" selects the referees for the National Championships based on their competencies and whenever possible considers a geographic representation corresponding to the number of the participating athletes.
 - The Provincial Referee Committee will establish criteria to define an "active" referee (see section II).
- Under normal circumstances only Canadian citizens and Permanent Residents are eligible to referee at National Championships. The "National Referee Committee" reserves the right to consider provincial recommendations for non-Canadians to be selected as special cases.

16. CONFLICT OF INTEREST GUIDELINES

- Any individual that participates as a coach, assistant coach or manager (either volunteer or paid) with the National team or as a private coach at a National competition, a National point competition or International competition, will be ineligible to referee at National point tournaments, National Championships, and International Circuit Competitions, for a period of one year as measured from the date of their last coaching involvement.
- Provincial coaching staff members are not eligible to referee at domestic or National point tournaments including the National Championships. Upon official written notification of termination from the provincial coaching staff there is a 1 year waiting period before eligibility is restored. Provinces are requested to submit the names of their provincial coaching staff as

changes are made to Judo Canada.

- Referees must be aware of Judo Canada's "Conflict of Interest Policy" (https://judocanada.org/wp-content/uploads/2022/12/Conflict-of-Interest-Policy-Jan_2023_EN.pdf). When a referee determines that he/she is in a conflict of interest situation for a contest, he/she should request permission to be excused.

17. INTERNATIONAL SELECTIONS

- Selection to the Olympic Games, World Championships, Master Championships, Grand Slam and Grand Prix falls under the responsibility of the IJF.
- Selection to the Pan-American Championships and events falls under the responsibility of the PJC.
- Selections to some international events are made by the "National Referee Committee" based on IJF and PJC requirements, as presented in the Judo Canada Officials Development Model.

18. RESPONSIBILITIES OF REFEREES WITH NATIONAL TEAMS

- Selected referees are expected to:
 - Be part of the National Team and attend team functions when appropriate.
 - Act as Ambassadors for Canada and adhere to the referee's code of conduct.
 - Assist the coach with technical and referee matters.
 - Provide a written report specific to refereeing matters when requested by Judo Canada.
- All referees participating in international events fall under the jurisdiction of Judo Canada and its discipline procedures.

SECTION V - ETHICAL / PROFESSIONAL BREACH

19. GENERAL CRITERIA

- The Chief Referee or Judo Canada's National Referee Committee can temporarily relieve any Referee or Mat Chief who has contravened to the ethics and/or professionalism of his functions.
- Strictly within 7 days of the temporary suspension, the Chief Referee or the National Referee Committee must inform the suspended individual of the grounds for the suspension.
- The Referee in question will remain temporarily relieved of his functions for all national level events until he submits his written version of the facts.
- The Referee in question will be authorized to participate in a national level event as soon as the National Referee Committee receives his written version of the facts, and this until a decision is

made in accordance with the Judo Canada Discipline and Complaints Policy.

- In the case of a major ethical infringement, for instance, one of such magnitude that it tarnished judo's image and undermined the confidence of any athlete, coach or any other person associated with the sport of judo, the National Referee Committee may suspend the Referee until his case is reviewed and a final decision made pursuant to the Judo Canada Discipline and Complaints Policy. This temporary suspension could even extend to referee activities sanctioned in the province where the referee is registered.
- If a situation like the one described in the paragraph above occurs, the National Referee Committee will inform the President of the Referee's Provincial Committee that the Referee in question must not work at any event, even of provincial level, until the National Referee Committee has made its ruling.
- If the PJC and/or the IJF nominates a referee (i.e. to an international tournament) while he/she is under a sanction from the National Referee Committee for an ethical and/or professional breach, the National Referee Committee will evaluate if the magnitude of the infringement warrants a recommendation to cancel his/her participation in an international event. The National Referee Committee may decide to not recommend the reimbursement of this Referee's travel expenses.

**Referee affected by any above actions has the right to appeal as per Judo Canada Appeal Policy.

APPENDIX “A” - CODE OF CONDUCT

Impartiality

A referee must be fair, honest and impartial at all times. He / she must not display or harbour favouritism or prejudices in behaviour and expression.

Competence

A referee must be familiar with the rules and regulations governing the sport of judo. He / she must maintain his / her competency by being active in refereeing and keeping abreast of rule changes and interpretations.

Uniform

A referee must be properly attired as required by the IJF Refereeing Rules and Sporting Rules (pertaining to Refereeing aspects).

Promptness

A referee should be on the mat promptly before the contestants. He /she should be prompt when attending meetings, clinics or seminars.

Attentiveness

A referee must be attentive at all times. He / she must devote his full attention in officiating the contest.

Mutual Respect

A referee must respect the opinion of the other referees. Each referee must be able to express his / her opinion without fear of ridicule or criticism from others.

Team Work

All referees must work as a team in a cooperative spirit so that a contest may run smoothly without unwarranted interference. However, each member of a refereeing team should make independent judgements.

Criticism

A referee must not criticize other referees. Difference of opinion should be discussed with the referees concerned, or with the chief referee or referee committee.

Fraternization

During a tournament, a referee should minimize fraternization with athletes, coaches and spectators to remain impartial and to minimize the possibility of a confrontation or appearance of biases.

Coaching and Cheering

During a tournament, a non-working referee must not coach or cheer contestants in the tournament.

Confrontation

A referee must not have confrontations with athletes, coaches or spectators. If a referee is faced with such a situation, he should make all attempts to evade it and direct the grievance via the proper channels.

Conflict of Interest

A referee must avoid any direct or indirect conflict of interest.

**** The general [Code of Conduct and Ethics of Judo Canada](#) also applies to referees.**
